The annotations and all the other files describing the content of the database are shared under the BY-NC-SA 3.0 Unported license: <http://creativecommons.org/licenses/by-nc-sa/3.0/>.

By signing this document, the user, he or she who will make use of the database agrees to the following terms:

1. Commercial use

The user may not use the database for any non-academic purpose. Non-academic purposes include, but are not limited to:

- proving the efficiency of commercial systems
- training or testing of commercial systems
- selling data from the dataset
- creating military applications
- developing governmental systems used in public spaces

2. Responsibility

This document must be signed by a person with a permanent position at an academic institute (the signee). Up to five other researchers affiliated with the same institute for whom the signee is responsible may be named at the end of this document which will allow them to work with this dataset.

3. Distribution

The user may not distribute the database or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. Note that publications will have to comply with the terms stated in article 5.

4. Access

The user may only use the database after this End User License Agreement (EULA) has been signed and returned to jacquard@liris.cnrs.fr. The signed EULA should be returned in digital format by including it to the mail when requesting access at: <https://jacquard.liris.cnrs.fr>

Only if the user is not capable of requesting an account in this manner, accounts may be requested by sending the signed EULA via traditional mail to:

Emmanuel Dellandréa
Université de Lyon
Ecole Centrale de Lyon
Laboratoire LIRIS (UMR 5205)
36 av Guy de Collongue,
69134 Ecully Cedex – France

The user may not grant anyone access to the database by giving out the download link of the database.

5. Publications

Publications include not only papers, but also presentations for conferences or educational purposes.

All documents and papers that report on research that use the Jacquard Dataset will cite the following paper:

A. Depierre, E. Dellandrea and L. Chen, “Jacquard: A Large Scale Dataset for Robotic Grasp Detection,” in *IEEE International Conference on Intelligent Robots and Systems*, 2018.

6. Academic research

The user may only use the database for academic research.

7. Warranty

The database comes without any warranty. The LIRIS laboratory at Ecole Centrale de Lyon cannot be held accountable for any damage (physical, financial or otherwise) caused by the use of the database. The LIRIS laboratory at Ecole Centrale de Lyon will try to prevent any damage by keeping the database virus free.

8. Misuse

If at any point, the administrators of Jacquard Dataset and/or LIRIS laboratory at Ecole Centrale de Lyon have a reasonable doubt that the user does not act in accordance to this EULA, he/she will be notified of this and will immediately be declined the access to the database.
